

Authorization for image and personal data processing

I, undersigned (First name, Last name):
Hereafter referred to as the "model"
Residing:

authorizes the University Paris Nanterre (Public Establishment of Cultural, Scientific and Professional Character), 200 avenue de la République - 92000 NANTERRE, SIRET no. 199 212 044 00010 code APE 8542 Z, represented by its President Mr. Philippe GERVAIS-LAMBONY, hereafter referred to as "the University"

ARTICLE I

to use my image (photographs and/or videos taken by the University and/or provided by the model to the University) and/or my voice, and in particular to record, diffuse, or exploit them at the time of the event, by fixation, reproduction, and/or representation of them in the context of a communication and/or archiving activity, for pedagogical, research, cultural, scientific or historical purposes, on types of media that are known or unknown at this time (including paper, analogical, digital or electronic media), in particular:

- ▶ publication on the University's website,
- ▶ publication on the University's partner sites,
- ▶ public presentation, presentation of all or part of the website at conferences, events, or symposia related to open and distance learning or the dissemination of academic knowledge,
- ▶ copies on any digital support, in particular DVD, USB key, hard disk, copy on any institutional publication of the university (brochure, newspaper, booklet...),
- ▶ copies on other supports than digital media (screen capture prints, etc.) and conversions to other formats (scanning photographs, etc.),
- ▶ other(s) (specify):

To the express exclusion of:

- ▶ operations outside the context of the communication activities related to the event,
- ▶ any use likely to damage reputation or any other medium of pornographic, racist, xenophobic character or any other prejudicial exploitation.

The model also allows the University to communicate to any partner of the event, any photograph or video on any type of support (in particular paper, analogic, digital or electronic). This authorization is granted to the University for the whole world. It takes effect on the date of its signature by the model and is granted for the duration necessary for the communication and archiving operation. It is conferred free of charge and without compensation. The model therefore waives any copyright and/or performer's rights and/or any remuneration or indemnity from the university and, where applicable, any third party authorized by it. The university will have complete freedom in the choice of images and/or voices, editing and possible cuts, in compliance with the exclusions herein contained.

ARTICLE II

The model accepts, in addition to the image and/or voice, the communication of personal data to any partner of the university, national or international, involved in the management of the event. According to the regulations concerning the protection of personal data, the University is responsible for the processing of personal data used for the purposes of this authorization. The model has the right to access, rectify the data and oppose it on legitimate grounds by contacting the Data Protection Officer at the following address: dpo@liste.parisnanterre.fr.
